MEMORANDUM FOR THE RECORD

SUBJECT: GAO Request for Agency information  
on Export of Technology

1. Louis Hunter, International Division, GAO, called to say that GAO is doing a study on the export of technology. GAO has already contacted State, Commerce and DoD. In so doing, they have come across some material originated at the Agency. Hunter called to see if the GAO people could meet with some of our experts working in this area.

2. Specifically GAO would like to:

- a. Get access to our information;
- b. Let us know what their study involves; and
- c. Find out how effectively information exchange and research is handled.
